

### Estimates of Larimer County Adult Residents Needing and Using Services

	All Respondents % (Estimated number)		
	Needed	Used	Needed, Not Used
Mental Health	16% (30,000)	71% (21,000)	(9,000)
Drug/Alcohol	4% (8,000)	55% (4,400)	(3,600)
Youth services for emotional/delinquent behavior	5% (10,000)	68% (6,800)	(3,200)
TOTAL	48,000	32,200	15,800*
<b>*An estimated 33% of those needing services did not use them.</b>			

**Data Sources:** Based on the 2000 Census adult population figure (191,739) and the 2001 Health District of Northern Larimer County's Community Health Survey. (Residents were asked if someone in their household needed or used these services.)
