***FORM PURPOSE:** This form is only to be used for Extended Sick Leave Without Pay (SLWOP) requests.

The employee **has exhausted** all leave balances, is unable to return to work because of a medical condition, and is requesting Sick Leave Without Pay. This is why the form includes the word "Extended." The Appointing Authority has the discretion to approve or not approve this request. Per policy, medical certification is required of the employee's inability to work in order to approve SLWOP. Since the employee has no leave balances, the hours needed to cover benefits costs is not applicable.

This is a request for SLWOP, so Appointing Authority approval and signature is required *.

LARIMER COUNTY OPERATING POLICIES AND PROCEDURES HUMAN RESOURCES POLICY AND PROCEDURE 331.6C SUBJECT: BENEFITS

3. Sick Leave Without Pay (in non-FMLA or non-Worker's Compensation situations only):

c. When requested by a Benefited Employee, an Appointing Authority or designee may grant SLWOP that extends beyond the requesting employee's entire pay period. An initial period of SLWOP may not be approved for longer than three (3) months. An extension may be approved by the Appointing Authority or designee for up to three (3) months per approval, but the leave should not exceed more than twelve (12) continuous months in total. The Appointing Authority or designee will base any decision to grant or deny SLWOP on the department/office's staffing needs and other appropriate considerations, including the requesting employee's duties and responsibilities, the impact on the department or office, etc.

e. If leave balances have been exhausted, an employee must submit their request in writing to their Appointing Authority or designee using the County's Extended Sick Leave Without Pay Request form. The requesting employee must indicate the medical basis for the leave and present documentation by the appropriate health care provider of the inability to work due to medical reasons. Subsequently, additional documentation may be required, for example on a monthly basis, but no less than on a quarterly basis.

NOTE: Please attach the certification of inability to work due to medical reasons.
