- A. The minutes of the previous meeting were reviewed and approved.
- B. Discussion of Adoption of the 2018 IBC and IRC

Board members were concerned there may be conflict of interest when they take part in the discussion of and amendments to the adoption of the Building Code. Realizing it is important for the public to understand why Building Codes are adopted and amended, Chris thought there may be conflict of interest, but Rex and Steve thought no. Steve suggests handouts to the County Contractors showing changes to the building codes. Paul thinks the homeowners may not understand the building code, but may want to.

A motion was made and seconded to adjourn the meeting.
