## STANDING AGENDA ITEMS

1. Laurie Stolen asked if all had reviewed the minutes from the February 8 meeting. Then, she asked for approval of the minutes. Stephanie Booco made the motion, seconded by Amber Bass, and the motion was unanimously approved.

## DISCUSSION/DECISIONS

1. Jennifer Wolfe-Kimbell gave an update on the BHS Facility Branding Project. Xuma is moving forward with the project. Members of the TAC and TAG may be contacted by Keith from Xuma for input on the naming/branding of the new facility.
2. Laurie Stolen expressed appreciation for the participation of those in attendance at this meeting and highlighted the value of regular attendance for all members.
3. Kim Priddy reviewed the 2021 Work Session, what has been accomplished to date, the goals for today's meeting.
4. Members of the TAC and TAG then separated into five groups, each with one BHS staff member/facilitator and worked to hone their ideas from the February meeting into Targeted Projects that they will discuss with the entire group in April. A JotForm survey was used for each idea that the members wished to move forward. Input for the JotForm survey will be accepted until March 19.
