## YOUR HEARING SERVICE PLAN

and How to Use It

## **HEAR** BETTER • LIVE FULLY

Hearing is one of the five natural senses that allow us to enjoy life and the world around us. Music, radio, television, movies, and theater – all become less accessible and enjoyable without the benefits of hearing. And Hearing Loss can lead to more serious problems such as social disengagement, increased stress and even cognitive decline.

Hearing is a valued life asset that can be protected, treated and assisted through a program for hearing healthcare. The EPIC Hearing Service Plan provides easy access to hearing health professionals – primarily physicians and audiologists –

maximum hearing potential throughout

who can help you achieve your

Hearing loss usually occurs gradually, without pain or discomfort. However, some more serious symptoms merit immediate attention by a physician:

• A sudden hearing loss

your life.

- Spinning and dizziness with vomiting
- Persistent ringing in one ear
- Blood or fluid draining from one or both ears
- Persistent pain in one or both ears

Hearing problems are fairly common: 12% of the US population has some form of hearing impairment and hearing loss is the #3 chronic health problem in the country.

Source: National Institutes of Health

# **EPIC's National Network Ensures Savings**

EPIC's Hearing Service Plan offers you a national alliance of independent ear physicians and audiologists dedicated to high-quality hearing care.

Your EPIC benefit ensures substantial savings – between 30% and 60% – on name-brand hearing aids and products to protect and improve your hearing.

### When to Call EPIC

If you experience any of the following, you may have a hearing problem that needs attention:

- Difficulty understanding voices and words (especially those of women and children)
- Occasional ringing in one or both ears
- Itching in the ear canals
- Difficulty understanding in noisy situations
- Turning up the television volume to understand the dialogue

# How Often Should Your Hearing Be Checked?

Hearing tests should be part of your regular health maintenance plan. Hearing professionals recommend testing as follows:

Children 5 – 18

**Every two years** 

Ages 20 – 50 Every two years

Ages 50 +

Everyone

Annually

Anytime you have a concern

## The EPIC 5-Step Plan

Any symptom of hearing loss deserves expert evaluation and treatment by a trained hearing health care specialist.

The EPIC Hearing Service Plan starts with an evaluation of your ears and your hearing. Diagnostic tests and measures will determine the course of treatment most likely to help you hear better. The EPIC Hearing Plan's 5 Basic Steps to Good Hearing include:

#### STEP

Pure Tone Hearing Test to determine if a hearing problem exists.

#### STEP

2 Functional Assessment to determine the magnitude of the problem and the technology best suited to treat it.

#### STEP

**Hearing Aid Evaluation** to

determine your ability to wear a hearing aid and select the best model and make.

#### STEP

Fitting and Programming your hearing aid.

#### STEP

Therapy and Training to finetune your device and maximize the benefits you receive.

### **How the EPIC Plan Works**

- Call EPIC today to start your hearing program.
- A hearing counselor will register you and assist in determining your hearing care needs.
- You will receive a Hearing Service Plan booklet outlining all plan services and pricing.
- A hearing counselor will coordinate a referral to a provider located near your home or work.
- Contact the provider; follow through with an appointment, examination and treatment.
