2. PUBLIC COMMENT:

3. AGEN A REVIEW:

4. APPROVAL OF LAST MEETING MINUTE:

5. INFORMATION ITEMS:
a. Orientation dates for new and existing members – look for date (week of 8/27)?
b. Extension office move to The Ranch – committee meetings underway
   oad of Commissioners citizen meetings date
d) Looking on the Design Team members of the Family Leadership Training Institute (FLTI) of Larimer County. FLTI is a 0-week commitment course aimed at developing community members. Find out more at http://ltio.colostate.edu/. The Design Team (DT) serves as a planning and leadship committee. Members meet 1-2 times a year to discuss sustainability. LFMI, supporting participants in projects, and support the family leadership initiative in our community. If interested please contact Lisa at aulrm@larimer.org.

e) Save the Date - 9/6 — an ice cream social volunteer appreciation at The Ranch 430-7pm

f) Keeton, the 4-H Agent, has resigned and moved back to Texas. The high process is underway. Keeton was a valuable asset to livestock and shooting sports and we will sorely miss him!

g) A new FTE position “Communications Specialist” was approved by the commissioner, to be held in September — yeah!

h) 4-H Updates:
   o Started participated and led sessions at State on ence

i) Hort./Master Gardeners/Farmers’ Market updates:
   o Farm’s Market: The 018 season is going great! Peaches came in about two weeks early and the early is an excellent crop. Sales have been strong and the special events are popular. On July 14 we’re having the 3rd annual coloring contest.
   o Horticulture: These blight and abbeys have been the most popular questions, along 2 with technical issues.
   o Master Gardeners: On Wednesday, July 11, we had the annual Teen Training at 2 High Pointe Estates in Windsor. We visited 5 homeowners on site training and diagnostics. This was a good service. Master Gardeners also participated in both the Loeland and Junior League Garden Tours. Loeland had 600 people attend; the Fort Collins tour had 100 0 isitors.

j) Agriculture/Natural Resources update:
   o Natural Plant Master — completed the classes and two courses (3 sessions/course). The early openings in two remaining courses: Red Mountain Open Space, August 1, 19, 6, and Reservoir Ridge Natural Area, August 0, 7, 2 Sept. 10. I know if anyone interested in taking either course, the application is located on our website with a deadline of July 3.
   o Weed and grass identification, wildissue issues, pasture management, site isisms, and eeverything in between. It has been a busy summer with 108 calls, e-mails, Ask-an-Expert questions, o ice isisms. Ten sites isisms to assist with plant/weed/ass ID and pasture management concepts.
   o We will hold the sixth 8-week course at Building F, me 3 course this Fall. Lasses begin in October. More to follow.

6. PRESENTATION/DISCUSSION:
   • Fai
     o Data: Video demo – Sue Ballou, Madi 2
