GRAFFITI

Graffiti vandalism affects the entire County. We are all victims from the damage that detracts from the County's image—graffiti sends a signal that nobody cares, attracting other forms of crime and street delinquency to neighborhoods. We all want a clean and safe community to live in.

We need your help in removing graffiti as soon as possible so it does not attract more criminal activity.

REMOVAL OPTIONS

You must remove the graffiti within ten (10) days from the date of Notice to Remove Graffiti. You may voluntarily agree to allow Larimer County to remove the graffiti with the understanding you will be billed for the costs.

COSTS IF COUNTY REMOVES GRAFFITI

- Costs of graffiti removal; and
- County administrative fee, not to exceed \$200.00.

You will be provided with a bill which must be paid within 30 days.

If the bill is not paid within 30 days, the costs, administrative fee and a 10% collection fee will be assessed.
