

Nursing Facilities

What is a Nursing Facility?

Nursing facilities are designed to provide 24-hour nursing care for those incapable of functioning independently due to a chronic illness, disabling injury or the need for short-term rehabilitation. Some facilities have specialized units for individuals with Alzheimer's disease and other forms of dementia.

All nursing facilities in Larimer County accept Medicare which can cover short term rehabilitation following a hospitalization. Most accept Medicaid which can cover long term nursing facility care.

Larimer County Office on Aging Long Term Care Ombudsman Program *Resident Advocate*

An ombudsman is a trained experienced advocate who provides services to help resolve complaints and concerns within nursing facilities and assisted living residences.

When do you use the ombudsman?

- ◆ To obtain the information necessary to make an informed decision about placement in an assisted living residence.
- ◆ To report a problem or concern about residents' rights or facility services and standards.
- ◆ For information about state and federal regulations for assisted living residences.

To contact your local ombudsman call: Larimer County Office on Aging at **498-7754**.
