**OFFICIAL BALLOT**
**COORDINATED ELECTION**
**LARIMER COUNTY, COLORADO**
**TUESDAY, NOVEMBER 1, 2005**

**SAMPLE BALLOT**

**INSTRUCTIONS TO VOTERS:**
To vote for the candidate(s) of your choice, completely fill in the OVAL(s) to the left of the candidate(s) name. To vote for a person not on the ballot, write in the name of the candidate in the space provided and fill in the OVAL to the left of the write in line. To complete your ballot, please review both sides. If you make any errors, or are marking the ballot, return it to an election judge to get another. "VOTE LIKE THIS." Ballot issues referred to in the general assembly are marked with a ballot issue number. A "Yes" vote on any ballot issue is a vote in favor of changing current law or existing circumstances, and a "No" vote on any ballot issue is a vote against changing current law or existing circumstances. (C.R.S. 1-40-115(2))

☐ YES ☐ NO
• Expanding and renovating the medical-surgical floor to comply with federal laws: ADA (Americans with Disabilities Act) and HIPAA (Health Insurance Portability and Accountability Act), thus meeting standards for disability, confidentiality and quality;

• Building replacement operating rooms to meet the standards of the American College of Surgeons and the Association of Operating Room Nurses, allowing for expanded services for surgery, obstetrics, and emergency care;

• Expanding physician and patient space in Family Medical Clinic to meet existing shortage of space and allow for future growth;

• Expanding emergency department to address privacy, confidentiality and growth;

• Relocating and upgrading the cardiac, physical, occupational, speech and language rehabilitation department to provide for more comprehensive patient service;

• Relocating and upgrading the specialty clinic to accommodate all providers in one area and allow for additional specialty services;

• Purchasing diagnostic, medical and surgical equipment to support patient examination, diagnosis and treatment. Purchasing computer equipment to improve medical information and productivity between departments and patients;

• Consolidating admissions and business office operations to a central location to improve customer access, confidentiality, privacy and service as well as operational efficiency;

• Replacing and updating heating, air conditioning, electrical and plumbing systems to meet revised building code standards and improve energy efficiency of an aging infrastructure.

And shall the revenue from the district’s existing operation and maintenance mill levy of 7.95 mills be utilized as necessary, along with any other revenue of the district, to pay the principal of, premium if any, and interest on any refunding debt (or to create a reserve for such payments), such debt to be evidenced by the issuance of bonds or other financial obligations bearing interest at a maximum net effective interest rate not to exceed 5.40%, such bonds or obligations to be sold in one series or more, for a price above or below par value, and with such maturities as permitted by law and as the district may determine, including provisions for redemption prior to maturity with or without premium, not to exceed three percent and shall the district be authorized to issue debt to refund the debt authorized in this question provided that such refunding debt, along with any other debt incurred by the district pursuant to this authorization, is issued on terms which do not exceed the rates of interest and repayment costs authorized in this question and shall the earnings from the investment of such bond proceeds and tax revenues be collected, retained and spent as a voter approved revenue change. Provided that such debt is authorized in accordance with the Colorado Constitution and to exceed the 5.5% property tax revenue growth limitation contained in section 23-23.5, Colorado Revised Statutes and any other revenue limitations contained in the laws of the State.
