III. Intent and Purpose
A. The intent and purpose of this Resolution is to regulate and control the cultivation of marijuana for personal recreational use, for personal medical use and for primary caregiver use in unincorporated Larimer County in order to minimize the market for unlawful marijuana and promote the efficient use of law enforcement resources.

B. Amendments 20 and 64 authorize persons to grow limited amounts of marijuana for their personal recreational and medical use and for use by caregivers.

C. Neither Amendment 20 nor amendment 64 allow local government to prohibit non-commercial unlicensed personal grow operations by individuals.

D. State regulations pertaining to Commercial Marijuana Operations are generally not directed toward non-commercial unlicensed personal grow operations by individuals.

E. This has resulted in a proliferation of non-licensed and unregulated marijuana grow operations that present significant health and public safety concerns.

F. A board of county commissioners is authorized pursuant to Section 25-1.5-106(13.5) C.R.S. to regulate the growing of marijuana, commercially or otherwise.

G. This Resolution shall be deemed an exercise of the police powers of Larimer County as a political subdivision of the State for the protection of the economic and social welfare and the health, peace and morals of the people of Larimer County.

H. This Resolution does not unreasonably impair or impede the exercise of rights afforded citizens under Amendments 20 and 64.

IV. Applicability
This Resolution applies in unincorporated Larimer County, including all Growth Management Areas and the Estes Valley.

Inspections may be conducted from public property or right-of-way, or from adjacent private property without the permission of the person cultivating the marijuana.

E. Notwithstanding the provisions of subsections X(A-D) above, permission to enter or a court order is not required in emergency situations in which the Administrator has reason to believe public health or safety is in imminent danger and could be jeopardized by any delay in obtaining permission to enter or a court order.
