If the account becomes 90 days past due, a Certified Letter of Notice will be sent to the account holder. The account will be suspended if the past due amount is not paid within 5 business days of receipt of the letter. The account will be closed if the past due amount is not received within 10 working days of receipt of the letter. If payment is not made within 120 days, the account will be turned over to a collection agency. The account holder will not be allowed to use the Larimer County Landfill under any circumstances. They may not pay by cash or check. The account will not be re-opened in the future.

If the terms of this agreement are met, charging privileges may be reinstated with full payment of the account balance and establishment of a larger deposit (Type 1 - \$400 deposit and Type 2 - \$1000 deposit). CHARGE ACCOUNT INFO

The Solid Waste Department offers Charge Accounts to high volume users of the Larimer County Landfill.

Some of the advantages to charging are:

- ◆ There are three types of accounts—one with a \$500 credit limit, one with a negotiable credit limit suited to the customer’s needs, and one for non-profit agencies. To open a charge account, read and sign the application and return it with your deposit check. If approved, you will receive your charge cards within ten working days after we receive your application.
- ◆ When each load is brought in, the driver signs and receives a copy of the charge receipt. Bookkeepers can reconcile the receipts to the itemized statement they receive at month’s end. PLEASE EXPLAIN TO YOUR DRIVERS THE IMPORTANCE OF RETURNING THE CHARGE RECEIPT TO YOU. If the office must supply a copy of a receipt, there is a \$2 charge per copy.
- ◆ Charge accounts and payment can be handled entirely by mail—you need never come into the office.
- ◆ You can write one check per month for loads hauled—not load by load.
- ◆ You receive an itemized statement of the month’s activity.
- ◆ Drivers need not carry cash, just your company Landfill Charge Card.
