No developmental concerns

School District
Refer for:

- Public Preschool
- Developmental screening
- Evaluation as needed
- Special Education (including behavioral support)

Considerations:

- Delays must be educationally relevant
- Possible 3 month gap between referral & services
- Free or low cost if eligible

CAYAC
Refer for:

- Assessment & mental health referral (may include brief counseling)
- Care coordination
- Family support
- Psychological evaluation & testing

Considerations:

- Larimer residents only
- Calls returned in 48 hrs
- Free or low cost

SummitStone Health Partners
Refer for:

- Mental health treatment including psychiatric evaluation
- Early childhood mental health consultant

Considerations:

- Long term treatment
- Services for all ages
- Medicaid & insurance accepted

Be Ready
Refer for:

- Family Support
- Be Ready navigators
- Parenting classes
- General resources

Additional Considerations & Contact Information on Reverse

Referral Decision Tool (for medical providers)

to support 3-5 year olds in Larimer County with social-emotional concerns

When in doubt:

Refer to CAYAC for early childhood social emotional concerns.

CAYAC will link families with other community resources as needed

Please consider the patient's insurance when referring to private therapists.
