Fort Collins, CO 80525

Please contact child care accounting at 498-7623 with any question you may have.

1. You must:
 - Be eighteen (18) years of age or older
 - Agree to submit to a Fingerprint-Based Criminal Background Check with the Colorado Bureau of Investigation (CBI) and Federal Bureau of Investigation (FBI) for yourself and all those who live in your home where the care will be given who are 18 years of age and older.
2. Fill out the forms, fingerprint card(s), carefully and thoroughly. Please read the included instructions.
3. Take the fingerprint card(s) provided to your local law enforcement agency for processing (there may be a nominal charge for this service).
4. Send the fingerprint card(s), required fees (described below), and a copy of the Qualified Family Child Care Home Provider Information Form, to the state office at the address below.
5. Be prompt and timely with this paperwork, the date it is received at the state Division of Early Care and Learning will be stamped on your Information Form and the date of receipt will affect the start date of CCCAP payments.

****Please note: If you are approved as a Qualified Family Child Care Home Provider for Larimer County CCAP the child care authorization begin date is not the date that the client applied for benefits. It is the date that all forms are received and considered “complete” by the Colorado Department of Human Services. This is not a guarantee and is dependent upon the final outcome of the background check.****

After the requested paperwork is received, we will conduct an internal background check. If you pass our internal check, you will be mailed additional information. This will include instructions for completing the mandatory fingerprinting for every household member 18 and older. The table below indicates fees charged by the Colorado Bureau of Investigation and the Federal Bureau of Investigation. You will be responsible for payment of these fees if/when you submit your fingerprint cards to the Colorado Department of Human Services. **DO NOT SEND FEES TO LARIMER COUNTY**

What happens next?

- A state CCCAP Specialist will review your Qualified Family Child Care Home Provider Information Form, verify proper pre-screening was completed by the county, process the payment, and submit the fingerprint card(s) to the Colorado Bureau of Investigations and the Federal Bureau of Investigations.
- The county representative will track the progress of the criminal background check (CBC) process and, according to individual county policy, proceed with entering your signed Fiscal Agreement in the system at the proper time.
- Your county representative will arrange for you to attend a training session (required) on the care and use of the Point-of-Service (POS) device and explanation of the payment system.
- When your Fiscal Agreement is entered in the system, a POS device (used for payments) will be shipped to your physical address via FedEx within seven business days. A signature at delivery is required.

PAYMENT OPTION

Dear Qualified Exempt Non-Licensed Child Care Provider,

You have a choice of how you will receive your child care payments. Below are your options and a little information about each choice.

Direct Deposit

- Your payment will go directly into your checking or savings account. The first month's deposit would probably be a check (which could take as long as four weeks to receive), your next payment would be sent directly to your bank account. With direct Deposit your payment should be available to you the Wednesday or Thursday after payroll closes. Although some people are concerned about the safety of their money using Direct Deposit, this is the safest choice available. By choosing this option, **no one can take your money out of your account**. Thousands of providers successfully receive payments every month through this method.

KeyBank Prepaid Card

- This card would be issued to you and your child care payments would be deposited directly onto the card. The card works like a debit card, you can withdraw cash, make purchases at grocery stores and some department stores (Wal-Mart and Kmart), and withdraw cash from ATM machines (remember ATM's charge a fee, which would reduce your amount). You would have access to your money within three days after payroll closes and this is the fastest way to get your payment.

PLEASE SELECT ONLY ONE OF THE FOLLOWING PAYMENT OPTIONS:

- I currently receive direct deposit and would like to continue.
- Direct Deposit
- New Colorado KeyBank Prepaid Card

Based on your choice above, the proper payment form will be sent to you with your CCCAP fiscal agreement draft. Both forms will need to be completed and returned to your CCCAP county office.

Annual Qualified Exempt Child Care Provider Fiscal Agreement

Child Care Assistance Program

This Agreement is entered into and between LARIMER COUNTY DEPARTMENT OF HUMAN SERVICES, herein

referred to as "Department" and _____

_____, herein referred to as "qualified provider" who will provide child care at the following

address: _____

This Agreement shall be in effect from _____ to _____.

Qualified Provider Agrees to the following:

1. Submit to a fingerprint based criminal background check along with a review of the state administered database for child abuse and neglect and provide the names and fingerprints of all adults age 18 and over who reside in the provider's home where care is provided for the same purpose.
2. Notify the Department within ten (10) calendar days of any circumstances resulting in the presence of a new adult age 18 and over, or a minor turning 18, in the provider's residence where care is provided.
3. Report to the Department any changes in phone number and/or address no less than ten (10) calendar days prior to the change.
4. Provide verification of Lawful Presence in the United States and provide an affidavit of citizenship and supporting documentation to the Department for provider (and spouse, if applicable).
5. Sign an attestation of mental competence declaring no one in the child care provider home where the care is provided has been determined to be insane or mentally incompetent by a court of competent jurisdiction; or specifically declaring the mental incompetence or insanity is not of such a degree that the provider cannot safely operate as a qualified provider.
6. Allow parents or adult caretakers immediate access to the child(ren) in care.
7. Accept referrals for child care without discrimination with regard to race, color, national origin, age, sex, religion, or physical, intellectual or mental disability. For additional care needs rates, develop an individualized care plan for children with additional care needs and provide a copy to the county on an annual basis or sooner period of time determined by plan.
8. Provide children with adequate food, shelter, and rest.
9. Maintain as strictly confidential all information concerning children and their families. Use the CO Attendance System as instructed and maintain principles of confidential access. Childcare providers shall not hold, transfer or use an adult caretaker or teen parent's individual attendance credentials. If intentional misuse is founded by any county or state agency, the child care provider will be subject to fiscal agreement termination.
10. Protect children from abuse/neglect and report any suspected child abuse and neglect to the Department 1-844-1-844-CO-4-KIDS (1-844-264-5437)
11. Hold the County Department of Human Services, Colorado Department of Human Services, and the State of Colorado harmless for any loss or actions caused by the performance of this Agreement.
12. Provide child care at the address listed above and ensure that care is provided only by the person listed above. Provide care for children under this agreement only if authorized by the Department in advance. Do not provide any unlicensed child care. Violations of this nature will be reported to CDHS licensing staff.
13. Sign the child care Fiscal Agreement and all other state required forms (county may have additional county-only forms for signature).
14. Notify the Department of unexplained, frequent and/or consistent absences within ten (10) calendar days of an established pattern.
15. Collect the full parental fee each month within the month of care. Parental fees are due to the provider from the parent or adult caretaker within the month of care. Providers shall report non-payment of parent fees no later than sixty (60) calendar days after the end of the month the parent fees are due unless county policy requires it earlier. The unpaid parent fees must be reported in writing by FAX, email, mail, or on a manual claim form.
16. Not charge parents or adult caretakers' rates in excess of those agreed upon as part of the Fiscal Agreement . The rate in the Fiscal Agreement is the maximum allowable rate of reimbursement for the care provided and includes any

portion for which the parent or adult caretaker is responsible. Providers may not receive payments for days in which they were not available to provide care. The provider will be paid the rates agreed upon within the Fiscal Agreement Rate Information.

17. Understand this fiscal agreement is effective on the date the county receives the signed fiscal agreement from the provider and in accordance with the county background check clearance dates. All additional required forms and documentation shall be in the county's provider file. Providers will not be reimbursed for any care provided before this fiscal agreement start date and after the fiscal agreement end date. The provider is required to use the CO Attendance System(ATS) to transmit recorded attendance and as the billing mechanism for care provided. Non-use of ATS must be approved.
18. Refer to and follow the instructions included in the CO Attendance System (ATS) User Manual.
19. Maintain internet service or access to internet service/wi-fi to ensure ATS is able to transmit attendance information to the Department for payment. The provider shall not hold any parent or adult caretaker responsible for the cost of care if the transactions are not transmitted timely by the provider. Any transactions not uploaded daily must be uploaded at least within nine (9) days of care for payment.
20. Ensure the parent/teen parent/adult caretaker uses his/her ATS individual attendance credentials to daily check the child(ren) into and out of care for attendance documentation and payment. Missed check-in and check-out entries may be entered by parent or provider and confirmed by parent/adult caretaker within nine (9) days of the date of service. The Department does not guarantee payment to the Provider if the transaction status on ATS is not "confirmed" by the CCCAP parent/teen parent/adult caretaker on ATS or if the attendance is not accurately recorded through ATS. Understand the automated process allows for use of system and entry of corrections within nine (9) days of care. Only approved/confirmed attendance transactions will be reimbursed by the Department. Forfeit payment for care that could have been paid through the automated process if actions were not taken to enter corrections within nine (9) days of care. ATS must be uploaded at least within 9 days of care for payment.
21. The parent or adult caretaker shall be responsible for payment and the Department shall not be held liable if the child care is not authorized. or the parent or adult caretaker does not accurately record attendance or confirm attendance through ATS..
22. Contact the county department within two business days if ATS stops working for any reason to troubleshoot. Documented approval for non-use of ATS for payment is required.
23. Maintain sign in/out sheets for children in care if the ATS system is not in use. These records shall be maintained for three years plus the current year and are to be made available to the Department upon request even if the provider no longer has an open Fiscal Agreement. The sign-in/out sheets must include no less than: the date of care; the full name of the child(ren); accurate sign-in time; authorized adult caretaker legible signature for sign-in time; accurate sign-out time; authorized adult caretaker legible signature for sign-out time. Use of ATS meets sign in/out requirements.
24. Bill the department on the State prescribed manual claim form for authorized services provided. Manual bills are only accepted under certain rare circumstances or exceptions for pre-approved providers not reimbursed automatically based on approved ATS transactions. County policy may require submission of attendance records to support requests for manual payment. Forfeit payment for services when the original manual claim form is submitted to the Department more than sixty (60) days following the month of care.
25. Never keep in their possession (whether at the location where care is provided or in any other place) a client's ATS Individual-attendance credentials.
26. Understand that if the provider commits fraudulent billing or activities the provider will be subject to fiscal agreement termination.
27. Grant the Department the authority to inspect the location(s) where care is provided for the presence of CCAP ATS Individual Attendance credentials or any other suspicious billing information. Upon discovery of these materials the provider understands the Department has the right to seize these materials and/or evidence of these materials.
28. Return any overpayment. All overpayments will be recovered including, but not limited to, inaccurate or fraudulent billing. If at the time any overpayment is established while your fiscal agreement is active, the amount of the overpayment will be deducted beginning with the next child care payment and every payment thereafter until the overpayment is paid in full, unless negotiated otherwise by the county through a signed repayment agreement. The county shall collect the overpayment in accordance with standard collection procedures which may include State Income Tax intercept if your fiscal agreement is inactive. Fraudulent billing will be prosecuted.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. **Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.
2. **Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. **Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.
4. **Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
5. **Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

Please complete this form and submit it with fingerprint card(s) and fees any time a new person moves into your home who is 18 years of age or older or if you have a child in your home who turns 18 during your contract period if care is ever provided in your home.

What happens next? In order to protect children in the State of Colorado there are some steps that need to be completed in order for Larimer County Department of Human Services to complete the fiscal agreement process with you. These steps must be completed within 30 days.

Once you have had your fingerprints taken, you need to mail all of the enclosed forms and fingerprint card(s) to The Office of Early Childhood, Division of Early Care and Learning, CCCAP Program in the provided envelope, along with a cashier's check or money order made out to the Colorado Department of Human Services (CDHS) for the total of all fees, (no personal checks are accepted). Please use the check list at the end of this letter to ensure that you have mailed all required documents.

Fingerprint Cards – You must take the enclosed fingerprint card(s) with you to the Larimer County Sheriff's Department. Do not bend, tear or soil the card. Please leave all fields blank. This information will be printed on the card by the Sheriff's Department.
