Amendment Z (CONSTITUTIONAL)

Shall there be an amendment to the Colorado constitution concerning a change to the manner in which state sales and state and local service taxes are levied, and, in connection therewith, reforming the existing legislative regulation and oversight commission by expanding its membership to twelve members and authorizing the apportionment of members by specified geographical qualifications; prohibiting any political party’s control of the commission by requiring that the twelve members be affiliated with the state’s largest political party, and one-third of the commissioners will be affiliated with the state’s second largest political party, and the state’s political parties and political caucuses; creating the commission and requiring the commission to report its findings and making conforming changes to the Colorado Revised Statutes relating to the issuance of transportation anticipation notes, and, in connection therewith, note proceeds shall be retained as a voter-approved revenue change and used exclusively to fund specified projects, including road and bridge expansion, construction, maintenance, and repair projects throughout the state?

Yes/For  
No/Against

Proposition 109 (STAY OR REJECT)

Shall state taxes be increased $1,200,000,000, with a maximum repayment cost of $1,400,000,000, without raising taxation costs, by a change to the Colorado Revised Statutes requiring the issuance of transportation anticipation notes, and, in connection therewith, note proceeds shall be retained as a voter-approved revenue change and used exclusively to fund specified projects, including road and bridge expansion, construction, maintenance, and repair projects throughout the state?

Yes/For

Proposition 110 (STAY OR REJECT)

Shall state taxes be increased $76,700,000, annually for a twenty-year period, and state debt shall be increased $600,000,000, to pay for state and local transportation projects and in connection therewith, changing the Colorado Revised Statutes to: 1) increase the state sales and use tax rate by January 1, 2016, requiring 45% of the new annual revenue to fund state transportation maintenance, and congestion related projects, 10% to fund municipal and county transportation projects, 10% to fund transportation services, including bike, pedestrian, and transit infrastructure, and 10% to fund transportation revenue anticipation notes to fund priority state transportation maintenance and construction projects, including multimodal capital projects, and 2) provide that all revenue resulting from the tax rate increase and proceeds from issuance of revenue anticipation notes are not considered as exempt from any state or local revenue, spending, or other limitations in law?
