

Red Mountain Road (County Road 37)

Opinion Survey

1. Did the information provided adequately describe why improvements are being planned for Red Mountain Road (CR 37) and the schedule for those improvements? (Circle One)

YES

NO

2. Did the information provided adequately describe the scope of planned improvements to Red Mountain Road (CR 37)? (Circle One)

YES

NO

3. Did the information provided adequately describe the proposed realignment of Red Mountain Road (CR 37) at the switchbacks? (Circle One)

YES

NO

4. I have reviewed the information presented at the open house and/or on the Larimer County Road and Bridge website (<https://www.larimer.org/roads>) and understand that Larimer County is considering realigning the road to eliminate the existing switchbacks just south of Box Elder Creek. Based on the information presented; (Circle One)

- I support the proposal to realign Red Mountain Road and eliminate the switchbacks
- I am opposed to the proposal to realign Red Mountain Road and would prefer that the switchbacks remain.
