

If you're a camper heading out for a trip — or just getting firewood for your wood stove — do the forests a favor. Don't move firewood long distances — it can potentially transport invasive species. Instead, buy it where you'll burn it, or buy heat-treated firewood.

# BUY IT WHERE YOU BURN IT.

## How to Help:

- ▶ Leave firewood at home — buy local firewood at or near where you'll camp. Gathering firewood in Larimer County campgrounds is prohibited.
- ▶ Buy only the firewood you need, and use it all up by the end of your camping trip.
- ▶ If you have already moved firewood, use it immediately. Do not take it home with you, and do not leave excess firewood on-site.
