Centennial Livestock Auction (CLA)

- Ability to house animals – goats/sheep would have to arrive Tuesday AM; Swine would have to arrive Wednesday AM. Beef would arrive Friday AM
- Buyers do not have to be present as CLA offers online • 4-H youth and family can watch sale online
- CLA has agreed to announce prior to animal entering ring that it is a 4-H animal
- CLA willing to work with Cheryl Spence during the sale to make sure buyers know it is a 4-H animal
- 4-H youth will get some recognition when animal being sold – can announce those that are in their final year (this can also be noted in sale bill)
- Sale bill can be made electronic to distribute well in advance
- CLA will issue checks to participants appx one week following sale
- Food available
- CLA will sort animals after sold for custom packers and processors as needed
- Sale committee will only have limited paperwork to be responsible for
- Add-Ons will be as always before, during and allowed up to two weeks following sale
- Sale Committee only responsible for collecting Add-Ons
- There is no need to mail out paperwork ahead as CLA has their own that must be completed
- Current processors can work with CLA (food bank is on board)
- Brand Inspectors present
- Location of CLA
- Sale committee would only need a limited number of volunteers

- Sale committee would have to be present when 4-H animals arrive to verify
- Any required paperwork would have to be submitted ahead of arrival
- Sale committee responsible for tagging animals except beef
- Buyers would have to register on CLA website at least one week prior to sale
- Animals sold by species in no particular order
- Limited seating only buyers to be present no 4-H youth or families is requested
- CLA will weigh animals for accurate weights
- The potential that a youth may only get market price
- If use CLA facilities for private sale on Tuesday it will cost to pay CLA staff and the potential a youth may not sell
- If Sale held during regular CLA sale and intermixed there is no extra charge other than the commission
- Youth will be required to pay a 2-3% commission to cover costs
- Sale split into two days – Beef sold on Friday
- Sale Committee is responsible for handling animals going to custom packers
- Sale Committee will still have to enter results into Blue Ribbon program
- Buyers must pay at conclusion of sale unless they make arrangements with CLA
- 4-H youth will not be permitted to bring their own animals into sale ring
- Sale Committee will put a sale bill together listing 4-H youth, parent name and species being sold so buyers can have ahead of time to review
- Non-Terminal – the sale committee cannot guarantee that a 4-H animal goes to a processor
- No selling of the small animals – sale committee would have to prearrange buyers for those participants
