SELF-CERTIFICATION FORM

Applicant must review and sign below for a Business Operator License

PER LARIMER COUNTY LICENSING ORDINANCE NO. 1991-1

Each business vehicle operated in the process of moving waste is insured to do business in Colorado. I attest I have policy coverage of:

- \$150,000.00 for bodily injury or death,
- \$150, 000.00 for property damages and
- \$400,000.00 for injury or the death of persons and property of others.

Each person under my employment:

- has the legal right to work in the United States,
- is covered by Workman’s Compensation insurance and
- has a valid Driver’s License or CDL.

Every vehicle operated is maintained to a regular set of safety standards:

- Regular pickups and flatbed vehicles are only used to haul dry wastes
- Liquid containing wastes will only be hauled by leak proof vehicles designed for this waste.
- All compaction vehicles are maintained to ensure that compaction blades move freely, hopper plugs, and seals are in place, in good condition, and are leak proof.
- All open-bed or open-top vehicles will be tarped to cover entire load, during transport to avoid littering on roads.
- All sideboards and tailgates are constructed of permanent materials.

I certify that I have the legal authority to sign for the Business Operator and that the statements and information contained in this submittal are true, accurate, and complete

I am aware that failure to provide true and accurate and complete information constitutes a violation of requirements of Ordinance No. 1991-1 and is a Class 2 petty offense as provided for in Section 30-15-402(1) C.R.S., and is punishable by a fine of not more than one thousand dollars (\$1000.00) for each separate violation and may also result in the suspension or revocation of my license.
