Larimer County requires that a provider submit a copy of their private pay charges for activity fees, transportation fees, and registration fees before a payment can be made. For the purposes of defining “per year” a year begins when the fee is first paid for a child.

- Activity fees are payable only for those activities in which all children participate. Activity fees do not cover individualized, extra or optional activities. Parents should be offered age appropriate activities in place of any optional activities. Larimer County will pay up to \$203 of activity fees per year.
- Transportation fees are payable for transporting children from one provider to another; or transporting children from one provider to a school. Larimer County will pay up to \$203 of transportation fees per year.
- Larimer County will pay up to \$60 of registration fees per year.
