

Be Kind

Buckle Up

Don't talk to strangers

Say no to drugs

Be gun safe

I tell an adult if I'm worried about someone with guns

I talk to my parents & friends about gun safety

I treat every gun like it's real & loaded

I talk to my family about gun safety

If I own firearms, I always lock them up

I talk to my kids about what to do if they see a gun

Whether you own firearms or not, start the conversation
