OUT WITH THE OLD

01

ELECTRONICS & BATTERY DISPOSAL

Did Santa bring you new electronics? Properly recycle your outdated devices; they are banned from Colorado landfills.

Remove old batteries and save them for proper recycling at our Haz Waste Program (free to LC residents), Batteries Plus and most electronic stores.

02

LIVE CHRISTMAS TREE DISPOSAL

Live Christmas trees are accepted with our Green Waste Program for \$5 per tree. As long as ALL decorations have been removed, they will not be landfilled.

Artificial trees should be donated but can also be disposed of at the landfill at regular costs.
